CHAPTER 'W' NEWSLETTER

AUGUST 2019

Director's Corner

by Gary & Mable Washington

Hello "GWRRA Family"

August 2019

Watch for school buses!!!

Hello Family,

This past 30 days has been super riding weather. Mable took the trike to a local shop and she got another for a going over of why it doesn't start all the time. After running a gadget on the trike they found that the alternator was bad. They put a new **alternator** on and they believe they have the problem resolved. (don't they all) Mable and I went a few local rides over the past month. (Martinsburg, Altoona) I don't believe she knows how much I really enjoy riding the trike and Mable is a good trooper about doing the "driving". I do have to tell her what to do from time to time but she is a good driver. I really enjoy traveling with our PAW family they always look out for each other and we have such great fun. I will have to give you more information on the West Virginia trip next month since I'm writing this prior to going. I had a consultation with a small intestine specialist in Pittsburgh to see why the gradual weight loss. He in turn wanted me to have a few tests done before seeing him again. Upon doing some of the initial work-ups he found that my potassium was high and ran an EKG. **WOW** All of a sudden they code blue me and the heart team came in. Of course I was feeling "fine" and didn't realize that the heart was reacting to the high potassium. Subsequently the blue team wheeled me to ER. I was in Monetifore for observatin for **30 hours**. The potassium went normal and we went home. The moral of the story: Be proactive with the medication you take and have frequent work-ups.

Eldon planned a great ride on a Sunday afternoon. Folks complained about the extreme heat and "don't believe were going on route 30." Eldon always having tricks up his sleeve, about 10 miles on route 30 and he turned left on a road that I always wanted to travel. It was shady, cool and easy riding with NO complaints. We had a great ride and dinner at a resturant in Sidman with delicious food and lots of laughs. **Gary Shaffer** set up the bug run for the chapter. Again, we went on roads in Bedford that I didn't know. I was sure that as he slowed down near the buffalo farm someone would get a bug. We ended up in Schellsburg for ice cream and laughter. We had two chapters join us for the ride, Chapter S and Chapter T. NO one got bugs but JoJo won the ticket draw.

House Update: My brother-in-law "Uncle Lemon" is still at our house. He informed Mable that he is "looking for a place in the Blairsville area". She is getting aggitated with him and is holding her tongue for a few more days. Snug Bug, one of the grandson's rabbits, that I inherited a couple years back, got an interear infection. Mable suggested digging a hole but I said take it to the vet at least once. Now she is giving medication 2x day until August 14th. She said "I am watching the dollars but the hole can be dug anytime." The horses are still doing great and he has a pasture fenced off they love being out.

Be Alert, Be Safe and have FUN!
Gary & Mable Washington
PA W Chapter Directors

Our Birthday Greeter, Linda wanted to share the greetings!!!!

Assistant Chapter Directors **Eldon & Kerri Mickel**

GWRRA PA -W Family and Friends,

August is upon us, the riding season we all longed for so patiently has decided to blow by us this year in what seems like a New York minute. Hope most all have been able to take part in some enjoyable rides this year. With any kind of luck we will have an extended summer/fall riding season to enjoy. Pa W has rode quite a few times in July visiting numerous chapter gatherings and events with more planned for August.

It is my understanding that all who attended the Bug Run enjoyed it. Shaff did a good job planning the route and his crew of helpers all deserve a hearty Thank You. Ralph's Cass Railroad ride will have left and returned by the time you read this, hope they enjoy their trip and have a wonderful time. Peggy is planning a Lucille Ball Museum ride the 17th and 18th. Anyone interested please contact Peggy. Ice Cream ride is the 20th, not really sure what to expect as Goo has volunteered to lead the event and I'm not eating yogurt. Hahahaha Gathering will be on the 24th at Kelly's. Schellsburg Firemen's parade will be the evening of the 29th, meet at Gary Stockenus at 6:30.

The chapter had a wonderful day attending the District Ice Cream Social Ride In at Walt's Creamery. Nice ride, nice fellowship, good food and good ice cream. Thanks Harold and Diane. Hope you can figure out some more great events.

As for Kerri and myself our August is as usual one of the most challenging months for us going in too many directions at the same time. The 22nd thru the 24th we intend to be in Loon New Hampshire attending a Red Knights Convention then the following week we will be traveling to Nashville for Wing Ding. The current week we are entertaining our grand children and great grand children from Wisconsin. Even though you love them so, you can't wait for them to leave .hahaha and next week Eldon will be at a fire convention in Clymer for three days. So much for August and summer.

Let's keep our members who are under the weather in our thoughts and prayers.

Kerri and Eldon Mickel
Asst. Directors Pa W

Monthly Funny

A little 10 year old girl was walking home, alone, from school one day,
when a big man on a black motorcycle pulls up beside her.
After following along for a while, he turns to her and asks,
"Hey there little girl, do you want to go for a ride?"
"NO!" says the little girl as she keeps on walking.
The motorcyclist again pulls up beside her and asks.
"Hey little girl, I will give you \$10 if you hop on the back."
"NO!" says the little girl again as she hurries down the street.
The motorcyclist pulls up beside the little girl again and says,
"Okay kid, my last offer! I'll give you 20 Bucks "and" a Big Bag of
Candy if you will just hop on the back of my bike and go for a ride."
Finally, the little girl stops and turns towards him and Screams Out...
"Look Dad" "You're the one who bought the Honda instead of the Harley....YOU RIDE IT!!"

Membership Enhancement : PEGGY GRIMM & Ed Steele

I blinked too many times and lost my summer. Okay, not really, but that is how it feels. Summer has flown by and here we are already in August. I've even taken notice that some trees are already changing color. Seriously, what is up with that? I really hate to think what is around the corner. Oh well, one thing is for certain, rather I'm sitting still or moving about, time keeps marching along. I can complain about it, but it won't change anything, so I will reluctantly accept it.

So, on that note let's go back one month and talk about how we enjoyed our July.

July 12 some of our members went to Somerset Chapter T for a roll for dough. Ed and I had intentions of going, but I had a family reunion fall on the same day. I hadn't been to the family reunions for a while, so I thought I had better attend. Otherwise, they may forget I belonged to the family, or even worse, decide to kick me out of the family. Yikes. I enjoyed spending time with my family. I'm glad I went.

July 13 was the District Ride-In. A few of our members went. Ed and I belong to two different clubs, so we try to divide our time between the car club and the gold wing club. This weekend happened to be our time with the car club. Alum Bank had their big weekend, and we took 3 cars to that car show. That means, we missed the ride-in, so I can't tell you any details. I do know it was a scorcher of a day at Alum Bank. I enjoy the heat, but I needed some shade that day.

July 16 was our monthly ice cream ride. Choosing where we went was up to Gary Shaffer and we went to the Igloo on Route 56. After we enjoyed the ice cream, Gary took everyone on a scenic ride. However, with our trike being in the shop, we didn't go along.

Saturday, July 20, ten of us tortured ourselves in the 90-degree temperatures by riding in that heat, and visited Chapter C, at Stoners Restaurant. I believe the Chapter C members were surprised to see that we arrived on motorcycles. Mable rode over in style in an air-conditioned car because her trike was in the shop. What a great time for it to be in the shop; a horrendously hot day. In spite of the temperatures we really had a nice meal and very much enjoyed socializing.

The more I write, the more I realize how we braved so many tremendously hot days. July 21, thirteen of us ventured out in another one of those miserable days and went on our dinner ride to Morris Tavern in Sidman. We somehow managed the trip just right that we missed the downpour of rain, because as we pulled into the parking lot, the sky opened up and let'er rip. After we enjoyed our food and fellowship, and went to leave there was no more rain. Perfect! The roads, however, were still a little wet. On our way home, we stopped at The Cow and had some ice cream for dessert. Perfect ending to a hot and muggy day.

Our chapter gathering at Kelly's was July 27. We were very honored to have Harold & Diana Jackson pay us a visit. We are always anxious to see them. During our meeting we discussed our trip to Cass Railroad coming up August 7 and a ride to the Lucy Museum in Jamestown, N.Y. August 17. They both sound fun and interesting. Let's just hope we have some decent riding weather for both trips. You know, as in no rain and no awful hot, humid days. You think Mother Nature will hear me and comply?

Just a reminder, if you are planning on attending Wing Ding in Nashville this year, hopefully your plans are already made. If not, you might want to hop on that.

We had birthdays and anniversaries this month, but not everyone showed up to get their pictures taken.

Hope all the July birthday folks had great birthdays. Also, we'd like to extend another Happy Anniversary to all those who had anniversaries.

Ed and I would like to send prayers and well-wishes to everyone who is having health issues. We want everyone to be tip-top and feeling like themselves and able to get out and enjoy the summer.

Thank you everyone for being members and friends. Looking forward to the rest of the summer with fun activities and fellowship. We hope everyone else enjoys their summer and plans, as well.

Will see you all next month.

Peggy Grimm and Ed Steele

CHAPTER W

ACTIVITY and MEETING SCHEDULE

Aug 03 - Bug Run - Start at Bedford Food
Pantry, 140 School St., Bedford - 1:00pm

Aug 07-08 - Cass Railroad - Leave Masonic
Temple at 7:00am

Aug 17-18 - Lucille Ball Museum - Leave
Hoss's in Bedford at 8:00am - **Cancelled**

Aug 20 - Ice Cream Ride - TBA

Aug 24 - Monthly Gathering 9:00am at Kelly's
Scenic View Restaurant in Everett, PA

Aug 29 - Schellsburg Firemen's Parade - Meet
at Stockenus residence to pull out at 6:30pm

Sept 08 - Roll for the Dough to MD-C

Sept 14 - Roll for the Dough to WV-J

Sept 17 - Ice Cream Ride - TBA

Sept 21 - Roll for the Dough to MD-F

Sept 28 - Monthly Gathering 9:00am at Kelly's
Scenic View Restaurant in Everett, PA

BIRTHDAYS:

August 06 - JoAnne Ritchie

August 07 - Evelyn Stone

ANNIVERSARIES:

August 10 - Chuck & Evelyn Stone

August 18 - Chris & Christie Hull

August 26 - Gary & Becky Shaffer

ROLL FOR THE DOUGH:

As of 08-10-2019 fifteen Chapters out of
18 have earned points. The top six are:

Chapter B - 17 Points

Chapter V - 10 Points

Chapter Q - 09 Points

Chapter I - 08 Points

Chapter T - 08 Points

Chapter W - 08 Points

THOUGHT FOR THE DAY:

“Perseverance is a great element of
success. If you only knock long enough
and loud enough at the gate, you are sure
to wake up somebody.” Henry Wadsworth
Longfellow

District Director Notes: August, 2019

July is over and it seems like we were just wishing for summer and good weather yesterday. I have often heard people say "once July 4th is over summer is over". Well, let's hope we have some good weather and good riding. After all, with all the rain we have had the saying may be wrong this year.

The PA District Ride-In was July 13th at Waltz Creamery and Farm House Café, we had a great turn out and the weather was beautiful. And we had so many Chapters and friends ride-in. The food was great and we can't forget the ice cream. On behalf of the PA District, we thank each and every one that stopped to enjoy the day! It was great to see everyone. Plans are in the works for another ride-in, we will let everyone know when and where. If you have a place in mind give us a call and we will try to add it to the list.

It's getting close to time for the PA District lottery tickets. They are being printed and we will be distributing them soon. Remember, this is a great fund raiser for your chapter. But first you must get them in the hands of your chapter participants to sell them. When you receive your packets there will be some helpful hints on how to increase your sales.

By reading your newsletter and conversations with participants from various Chapters, we see you are busy riding and having summer picnics. Summer picnics are a great way to take time to socialize with longtime and new friends. It is great to have a laid-back day and enjoy each other's company and the summer day!

We plan on seeing many of you at Wing Ding 41 in Nashville, TN August 27-31, 2019. If you have not made plans to go, there is still time. If you have been reading your Wing World magazine there are many things to see and do in the area and at Wing Ding. See you there!

Don't forget the 2020 PA District Rally is in Altoona, PA at the Altoona Grand on May 14, 15 and 16th. Please get your hotel reservations in early by calling 814-946-1631. The PA District Team has some great plans coming out soon!

More and more Chapters are using GroupWorks, thank you. It really is not hard to use and is a great communication tool. If you have any questions or need something explained please feel

free to call us and Diane will help you. Remember any member can post on GroupWorks so, let us see the FUN rides your chapter has gone on.

We hope to see you soon at a chapter gathering, event or on the road!

Remember to always ride safe!

Harold and Diane Jackson
PA District Directors
jackson2@zoominternet.net
(814) 589-1307

Assistant Dist Directors:

Hello Everyone

I hope everyone is having a great summer, out and about riding and visiting neighboring Chapters.

Joining in on their ride schedule which can be so very different in all the Chapters, its fun just to catch another Chapter's ride and enjoy the camaraderie and hear some stories about riding trips.

The last week or so we've been having very hot weather with high humidity, if you were out riding, I hope you stayed hydrated with lots of water. We are now coming to the end of July and where did it GO! When your life becomes so busy time just goes by faster and faster.

As we write this, we are preparing to go to the Canadian Atlantic District Rally in Yarmouth, Nova Scotia, with some GWRRA friends.

Watching the Bay of Fundy 40ft tidal change is on our schedule, 16 days of riding and enjoying the sites, it's going to be an exciting trip.

We are also excited to meet the District Directors Ron Martin & Ruth Foster, and our Canadian riding friends and members from the surrounding Chapters at the rally.

After the Rally we are headed toward St John's Nova Scotia and ride the ferry over to Newfoundland (7+ hours) by Ferry, spending a couple of days sightseeing. Visiting Saint Anthony at the northern point of Newfoundland and doing a Whale watching boat tour, maybe see an iceberg, or by the time we get there an ice cube!

We hope everyone had a fantastic 4th of July with family & friends.

Get out and enjoy the riding season. Remember tomorrow is promised to no one and yesterday is gone forever.

Keep the chrome side up and the rubber side down. Don't forget to Mark your Calendar for Pa. District Rally, May 14-16, 2020 in Altoona, Pa. Planning in advance isn't a bad idea.

Mike & Shirley Prince
PA Assistant District Directors
mikep@gwrrapav.org

District COY CoOrdinators:

Many from PA will be attending Wing Ding in Nashville, TN. We wish everyone a safe trip and a wonderful time.

The PA District Ride In was held on July 13th at the Waltz Creamery & Farm House Café in Salladasburg. What a great turnout! John and I had the opportunity to ride with our home chapter to this event. We had a great ride and it was so good to see all our friends. Thanks to Harold and Diane Jackson for arranging this event.

It's not too early to be thinking of honoring a Chapter Couple for 2020. We encourage Chapters to honor a new Couple of the Year each year as the couple can only be in the selection their first year.

There will be an e-mail in the near future in regards to COY items that are available. Also be on the outlook for the second annual Couple of the Year Fun Day. More details will be forthcoming in the future.

Until next time, be safe, have fun, and keep the shiny side up.

John & Glenda Leib
PA District Couple of the Year Coordinators
crabcakelady@yahoo.com
717-766-5467

District Couple of Year:

Hello everyone,

We attended the District ride that was held on July 13, 2019 at Waltz Creamery & Farmhouse Café in Salladasburg PA. It was hot that day but a beautiful ride. There was a good turnout for the event and as always good food, ICE CREAM & fellowship with GWRRA family. We stopped at Boalsburg festival with our Chapter W members before heading home. We really enjoyed the day.

It's hard to believe that August is just around the corner. Whether you are on 2, 3 or 4 wheels, we hope everyone is attending different GWRRA events, taking those ice cream rides or just out for a leisurely ride with friends. There is still plenty of opportunities out there so check out your neighboring chapters & join in the FUN.

We are headed to our first Wing Ding in Nashville the end of August. We are looking forward to see what all goes on at Wing Ding. We plan to check out the vendors, seminars, meet the International Couples of the Year, enjoy some entertainment, sightseeing and the list goes on and on. The Gaylord Opryland Resort itself is a lot to take in. Hope to see you there.

Chris & Christie Hull
PA Assist District Directors
PA District COY

PA DISTRICT EDUCATOR

Hi Folks:

Summer is quickly coming to an end now and fall will soon be upon us, and the leaves will soon be starting to change color in our area. This brings with it both beauty and an added element of danger for the late season rider. We have all heard the standard warnings of WET LEAVES affecting traction. What appears to be missing is a recommendation on what to do if you encounter this situation.

The second thing we will encounter this time of the year is RAIN. Haul out the raingear you've stowed in a handy spot. Make sure your rain gloves and rain boots fit properly. Poorly fitted ones can lessen your ability to brake and shift.

Be most cautious when it first starts to rain. That is when the water goes into all the dimples in the road, and the oil residue from passing vehicles floats to the top. That gets slippery! A wise motorcyclist will stop for a cup of coffee when it starts to rain; who knows, it could be all over in 15 minutes, and you won't even have to put on the rain suit.

After a while the oil will be washed off to the side of the road. However, traction on a wet surface may not be as good as on a dry road. Be careful.

The third thing we will encounter this time of the year is FOG. Cool mornings and evenings, after a warm day, tend to produce fog in what is referred to as low-lying areas. If you think you may have a chance of riding into a fog area, carry a small towel or soft water absorbing cloth in your Jacket pocket where it is easy to get to. You may have to clean your windshield to see well. Slow down and if you think you are traveling too slowly, run your hazard flashers. I have found that the lower running lights are a big plus for driving in fog.

In any of the above low traction situations, (sand, black ice, wet pavement, slippery leaves, etc.) the best advice is avoidance. Barring that, use a method of identification, prediction, and reaction to prepare for and successfully overcome obstacles such as those mentioned above.

A question which has been being ask a lot in recent months is do I need a special license to operate a Trike or a Scooter.

I checked at the licensing center and the following information is what I received.

The way this is going to work is if you originally took your test on a two- wheel motorcycle your license will show an M with no restrictions unless you wear glasses etc., and you can operate any type of motorcycle or scooter.

If you are a first-time applicant and take your test on a Trike, you will receive a license with an M but under restrictions you will have a 9 which means you are only allowed to operate a Trike.

If you are a first-time applicant and take your test on a Scooter, you will receive a license with an M but under restrictions you will have an 8 which means you are only allowed to operate a Scooter.

As your Chapter takes its last scheduled rides of the season, let us all think SAFETY, keeping the situations mentioned above in mind, and ending our riding season on a safe note. REMEMBER < ATGATT >

Ride Safe and Ride Proud

Chuck & Evelyn Stone
PA District Educators

Sending lots of get-well wishes out to Dave as he continues to battle health issues. We continue to keep **any and all** of our members who have a special need, in our thoughts and prayers.

National News:

Submitted by
Anita Alkire

President of GWRRA

An Officer's Guide to Wing Ding

There is so much to do at Wing Ding and so many people look at you as the person in the know. Let's make it a little easier for you with an Officer's Guide to Wing Ding.

Throughout the event, you may have responsibilities as a volunteer for your District to help GWRRA. I know it sounds unbelievable, but talk to anyone who has volunteered at Wing Ding, they'll tell you how much more fun the event is when you volunteer. You can volunteer on site if you're looking for something to do; just find Tom and Renee Wasluck, Presidential Assistants, and ask where you're needed. Bring a group; it's even more fun then.

Also, watch for new Members, ones who haven't joined yet or ones with a NEW button on. You'll want to help make their experience even better, so stop and talk with them, give them a hug and welcome them and see what you can do to make their time at Wing Ding even better and start their Membership life off on a great footing.

So what's going on each day where you want to be and/or encourage your Members to meet up with you?

Tuesday

1PM is Awards Day in the Ballroom – This is where we will introduce our new six International Couples and give you a chance to get to know them a bit better. We will then spend some time honoring those volunteers who have gone above and beyond. Our Officers who have exceeded expectations receiving first the Senior Officer designation and now finding out if a nomination was put forward to recognize them as a Merit Award winner. From those Merit Award winners will come the Director, Educator, three different Coordinators, and Treasurer of the Year.

Opening party

Wednesday

Opening celebration

Sponsor dinner

Thursday

Ride Day

Forums

GWRRA Dinner and Anita's retirement party

Friday

Bike games

Bike Night with bike show, light show, and drill teams

Saturday

Closing – giveaway of prizes, money, and.... the Gold Wing! Remember, because of Tennessee laws, we will be drawing three tickets, having all three come up and then it will be a game of skill to determine the recipient. So practice your Corn Hole game between now and then so you're ready.

Spotlight is out; it was in this edition of Wing World magazine. Spotlight is a big version and more in-depth version of what is going on and some of it will be in the pocket guide. The classes offered at Wing Ding are explained in Spotlight. Help your Members to understand that it's a good idea for them to look at what is going to be offered and what they want to make sure to see. If there is a class that is a "must have" for their Levels, they need to make it a priority and, in some cases, sign up for and possibly pay a fee to attend. Do this ASAP! You should do the same for you.

Lastly, let them know if you have planned Chapter or District dinners, rides, or events that you will be doing while at Wing Ding. Be sure they know when, how much, and where they are to meet the group. That includes getting together for WD events when you want to sit together. The Members are looking to you to tell them, don't wait for them to ask. If you wait for them to ask, you'll end up with a Member with their feelings hurt feeling they weren't included. You may know better, but it won't matter. Put it in writing, text it, and if you're on GroupWorks, post it on the page so all the Chapter or District will know.

Looking forward to seeing you all at Wing Ding 41 in Nashville, TN!

Anita & JR Alkire
